INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 C.F.R. §1.97, Applicant hereby calls the Examiner's attention to the documents listed on the attached form, which documents may be material to the examination of this application. A copy of each of the documents is enclosed herewith

No inference should be drawn that any apparatus or method disclosed is equivalent to the subject invention.

The citation of these documents is not to be construed as an assertion that more pertinent art could not possibly be in existence. Citation of any document herein is not to be construed as an admission that any subject matter disclosed in the document is necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicant also respectfully reserves the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of the documents discussed herein, that may be cited by the Examiner in rejecting a claim in the instant patent application.

This Information Disclosure Statement is being filed before required. If it is determined that a fee is required for this

Information Disclosure Statement, please charge our Deposit Account
No. 50/1039. (A duplicate of this document is enclosed.)

Respectfully submitted,
